11th Annual Dinner Dance In Memory Of Joe Kretchik

IF TEARS COULD BUILD A STAIRWAY

If tears could build a stairway
And memories were a lane
We would walk right up to heaven
And bring you back again

No farewell words were spoken
No time to say good-bye
You were gone before we knew it
And only God knows why

Our hearts still ache in sadness
And secret tears still flow
What it meant to lose you
No one can ever know

But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store

Since you'll never be forgotten
We pledge to you today
A hallowed place within our hearts
Is where you'll always stay

A New Word For Thought...

A Dedication from the President

Welcome to the ranks of Dominican College Alumni. You are now among the 7,500 graduates who call Dominican their “Alma Mater.”

Your faculty has testified to your academic preparedness. We trust that you have imbibed the “Dominican Difference” so that among the values you treasure are:

- a commitment to excellence, leadership and service;
- a respect for the individual which is balanced by a concern for the community;
- a commitment to continue learning that is rooted in the values of reflective understanding and compassionate involvement;
- a belief that genuine progress requires the challenge and the support of a committed community.

The College will always measure its effectiveness by the good and generous lives of its graduates. Continue to work hard and bring a positive perspective to its many situations you will encounter. The world needs healthy, happy people who are willing to walk the “extra mile” for others. Each of you has been blessed with talent. You have grown through education and experience.

Now is your turn to make a difference. Our expectations for you are great. We hope you will maintain your “Dominican Connections!” Never be a stranger, for you will always be a cherished member of the Dominican community.

God’s continued blessing on you and all you love.

Peer Advisors

An important part of Dominican's Freshman Year Experience is the Peer Advisors. Each Peer Advisor is assigned to a small group of freshman the s/he meets with regularly. The Peer Advisors have, as their philosophy and mission, the intent to assist fellow students in academics and personal adjustment matters. Their participation on select programs, in combination with caring, professional interactions, enable them to encourage the development of a responsible and balanced college life, healthy mind and spirit. The Peer Advisors hold their ethic of confidentiality in the strictest regard. Peer Advisors do not involve themselves with academic advising. In keeping with the mission of the college, the Peer Advisors dedicate themselves and aspire to "Excellence, Leadership, and Service." Becoming a Peer Advisor means COMMITMENT to the tasks ahead, RESPONSIBILITY for your own actions, and the OPPORTUNITY to gain SELF-CONFIDENCE and MATURITY through helping others.

All Dominican College students involved in the nursing program (this involves taking any prerequisite classes in addition to students enrolled in any of Dominican's four nursing programs) constitute the core of this organization. It is headed by faculty moderators who are directly associated with the nursing division of the college. The executive members for this club are senior nursing students who have been involved with Dominican College nursing for approximately three years and counting. The 2000-2001 executive members are as follows: **Co-Presidents:** Christine Joy & Susan Marrero, **Secretary:** Lisa Comparetto, **Treasurers:** Mary Jo McGuinness & Aleyamma Kurian and **Pinning Coordinator:** Martine Prevot. It is the function of our organization to unite the nursing students of this college in matters of public service, political health issues and social activities. SPORTS AWARDS

The Department of Athletics has steadily grown over the past 30 years and is recognized as having one of the finest athletic programs among small colleges in the metropolitan area. The success and camaraderie of Dominican's athletic teams have built lasting relationships between students, faculty, and the larger community.

Dominican College is a member of the National Collegiate Athletic Association (NCAA), the National Association of Intercollegiate Athletics (NAIA) and the Central Atlantic Collegiate Conference (CACC). Woman's teams compete in basketball, cross country, soccer, softball, and volleyball. Men's teams include baseball, basketball, cross-country, golf, and soccer. Both programs have competed at the National level and have a tradition of travel, with regional trips throughout the Northeast, as well as extended trips to Florida, California, Virginia and Iowa.

CHARGERS GOLF

The Chargers enter the 2001 season with confidence and optimism. The core of last year's CACC Championship team returns. Leading the returnees is senior captain, Brad Hisel of Crystal Lake, Illinois. Hisel was the team's number two golfer during the 2000 season and is joined by teammates David Capalbo, Bobby Althoff, and Tom Mallen. Third-year coach Jim Gallagher credits each team member for using his summer employment to hone his golfing skills and lower his average score; the players all worked at local golf clubs this past summer.

Two additions to the roster should improve the team's chance of advancing past regional play. Darrin Sloan and Andy Scolaro, transfers from Rockland Community College, bring national Informationnament experience to Dominican. They were members of

Rockland's 2000 Mid-Hudson Conference Championship team that competed in the NCAA National Informationnament. Sloan was selected the conference player of the year for two years in a row, and went undefeated in high school. Scolaro, also Sloan's teammate at North Rockland High School, was named All-Rockland County in his junior and senior years and was ranked first in the county as a senior. Both player are playing off 3 handicaps.

The 2000 Woman's Volleyball Team completed the program's most successful season in Dominican College history with a final record of 22-13 and a berth in the CACC Tournament Semifinals. The team's march to 20 wins included strong finishes in Dominican College Invitational after losing to the United States Merchant Marine Academy in the tournament final. They placed two players on the *All-Tournament Team*, senior Elizabeth Quinn and junior setter Tamara Napolitano.

The team recovered from the disappointing loss and went on to capture The New Jersey City University Tournament two weeks later beating William Paterson University in the championship match. The team emerged from that tournament at (19-12) and earned victories number 20 and 21 on October 28, 2000 in a tri-match against The University of Sciences in Philadelphia and Teikyo-Post University.

Dominican entered the post-season tournament as the forth seed and advanced to the semifinals before losing to eventual champion Bloomfield College.

Erin Donoghue and Melissa Lazaro, were named NAIA Academic All American. Students athletes receiving this honor must be upperclassman, make a significant contribution to his/her team, and maintain a minimum, cumulative GPA of 3.5.

Congratulation to the lone Graduate, senior captain, Elizabeth Quinn, who led the team in kills with 304. Quinn will graduate in May 2001 with a degree in Financial Management.

MENS SOCCER

The men's soccer team narrowly missed advancing to the CACC playoffs. The Chargers finished with an overall record of (6-11) and were one conference away from post-season play. The team's record does not indicate its improvement from the 1999 season. Aside from posting two more victories than a year ago and fielding a more competitive team, Dominican was the only CACC member to defeat the Conference champion, Teikyo-Post University.

Although the Chargers suffered through six one-goal losses during the 2000 season, there is reason for optimism. Prior to the arrival of First-year coach Mike Swanwick, the team was out scored by it's opponents 72-23; this year Dominican totaled 35 goals while allowing 39.

Season highlights included capturing the *2000 Dominican Cup* with a final game 8-1 victory over St. Thomas Aquinas College. Junior Ndiaga Lo, who scored four goal and assisted on two others, was named the tournament's *Most Outstanding Offensive Player*. Noel Palmer was voted *Honorable Mention All-CACC* while junior mid-fielder Rafael Hernandez was selected *First Team CACC All -Conference*.

Lito "Mexican" Hernandez was credited to the all CACC team.

Ndiago "Funny Man" Lo was selected Most outstanding Offensive Player.

LADY CHARGERS

Maureen Irwin Chargers Defender.

Janel Dimaria All CACC Team

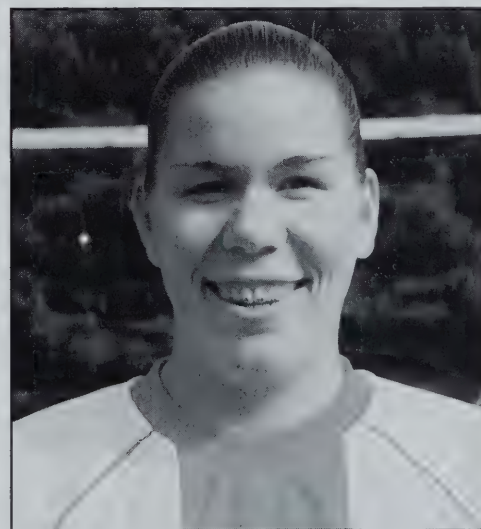

Two years removed from a national tournament appearance, the Lady Charger's Women's Soccer Team faced their toughest schedule in team history during the 2000 season. The Lady Chargers opened their season against the NCAA Division II National Champion, Franklin Pierce College. Green Mountain College, ranked in top-twenty in the NAIA, posted another early season challenge. After beginning the regular season (0-3), the team went (8-4) over the next twelve games and finished the season by winning its final four games to end with a record of (8-7).

The season-closing winning streak included victories against county rivals St. Thomas Aquinas College and Nyack College. The defeat of STAC was the fifth shutout of the year for the team and sophomore goalkeeper Carrie Senzel enabled the Lady Chargers to finish second in the 2000 Dominican Cup. Senzel blanked Mercy College 6-0 in the team's second game of the tournament. Dominican's Ephi Beato was named the tournament's Most outstanding Player for her efforts in the victory and in the team's 4-0 loss to tournament champion University of New Haven.

Junior mid-fielder Monica Irwin also played a key role in the team's success. She led the team in scoring with 13 goals and 6 assist in 16 games and was named CACC player of the Week in October 2000. Janel Dimaria, a junior mid-fielder, was the team's second leading scorer with 5 goals and 11 assist. Also receiving recognition was the team's senior defender Ellie Orbacz who had garnered Honorable Mention status.

What a smooth game.

Lady Chargers starting five is good as any other starting five in one whole CACC.

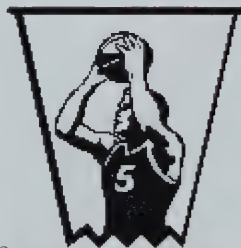

MENS

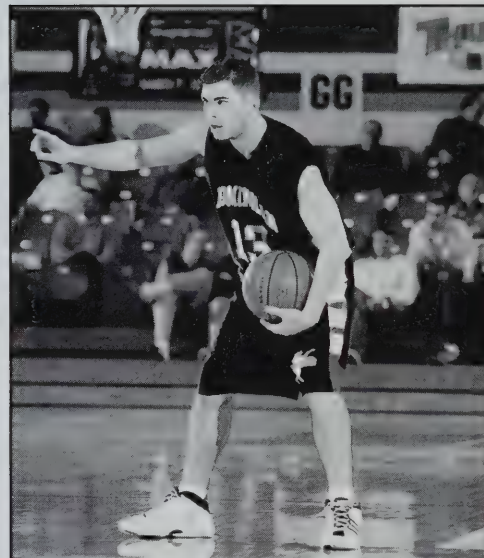

After beginning the conference schedule (4-4) the likelihood of the Chargers repeating as CACC Conference Regular Season Champions seemed remote, especially after the team ended the first semester on a three-game losing skid. Add injuries to starting players and repeat seemed implausible. However, the Chargers opened the second semester with a victory that sparked a twelve-game winning streak in the conference and catapulted the men into first place. The men's final (16-4) conference record secured the regular season championship and berth in the NAIA National Tournament for the second straight year.

Two seniors, John Fitzsimmons and Jamar Snider, led the Chargers and collected honors and achievements as the team collected wins. Both players scored their 1000th career point and both were recognized in the past season. Snider was named All-Metropolitan Second Team, and NAIA All-American Honorable Mention, capping off an Exceptional senior season.

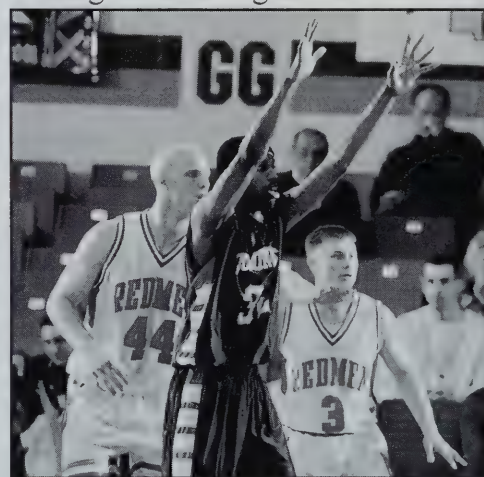

Coach Joe Clifton was voted Coach of the Year by his peers for the second year in a row and the third time in his career. The chargers final record (20-9) represents the fourth time a Clinton-coached team has won in twenty games or more.

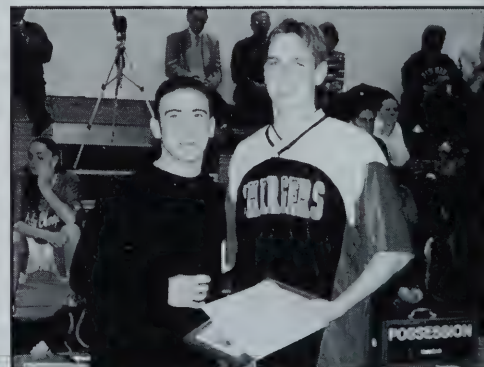

Coach Clinton and his team look intently at the game.

Todd Klimkowski sets up the chargers offense against the Redmen.

Graduations Can Be Bittersweet

*Graduations can be bittersweet,
Reminding us of all that's come and gone:
All our battles, whether lost or won,
Days of bliss, and days we would delete.
Underneath our pride there is the sense,
Almost like a wound, of something past,
The beauty of a time that cannot last,
In which we shared the joys of innocence.
Open vistas lie before our eyes;
Now is the time for hopes and for good-byes.*

Election 2000

George W. Bush selects Dick Cheney, former Wyoming representative, and former secretary of defense as his vice-presidential running mate on the Republican ticket.

The 2000 presidential election was in many ways decided by not just the voters but the courts. Five weeks after election day, the US Supreme Court blocked Al Gore's request to have disputed Florida ballots recounted. George W. Bush and Dick Cheney won the election after being awarded Florida's 25 electoral votes.

Antiquated voting methods in this age of technology threw the presidential election into turmoil. Punch card ballots, and the accompanying "Votamatic" system were first created in the 1960s. Disputed ballots had chads, or paper fragments hanging from the punch card that made it difficult for voting machines to read the ballots.

Painstaking manual recounts are performed by several Florida counties.

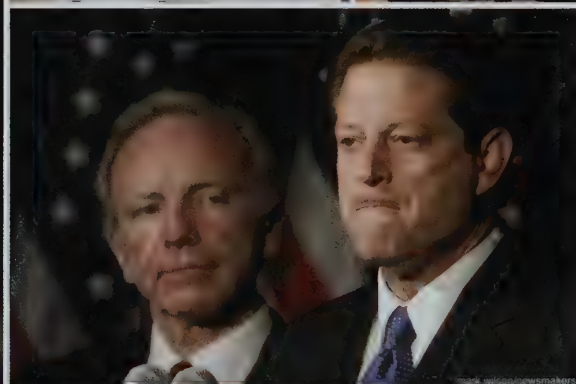

As Gore and Lieberman contest election returns, voters respond negatively to the lengthy battle.

Denise Rich, friend of Bill Clinton and ex-wife of fugitive financier Marc Rich, is under suspicion for contributions to the Clintons that might have influenced the pardon of her ex-husband.

General Colin Powell is selected by George W. Bush to serve as secretary of state. He is the first African-American to serve in this capacity.

First Lady Hillary Clinton becomes Senator Clinton from New York. Rudy Giuliani was her first opponent, but left the race after a cancer diagnosis. Rick Lazio stepped in as challenger, but lost to Clinton who earned 55 percent of the vote. It was the most expensive Senate race in US history, as combined the candidates spent more than \$80 million.
